## THE RULES OF THE GAME: TEACHER S MANUAL (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from The Rules of the Game: Teacher s Manual A recent writer, in discussing the teacher says: Books and materials may be had almost for the asking. The great problem is to secure teachers - real teachers who are able to leave their impress on young lives . Truth never comes to the child disembodied and detached, but always with the slant and quality of the teachers interpretation of it . It is the concrete that grips and holds. Whatever ideals we would impress on others we must first have realized in ourselves. Words and maxims may be misunderstood; character seldom is. Precepts may fail to impress; personality never does. The Teacher and His Materials The teacher is an important factor in the teaching of this text. His breadth of preparation, his fine sense of values, his clearness of spiritual vision, and his warmth of response to the Divine will go far to determine the success or failure of the lessons in bearing fruit in young lives. The great objective. On one matter the teacher must be very clear: that he is to teach not subject matter - stories, Bible lessons, and so on - but boys and girls. The lessons are but instruments in his hands for stimulating, inspiring, and guiding young lives. The materials, important as they are, are but secondary. The primary thing is the spiritual development of the children. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
