This is the cultural education leading to appreciation and enjoyment man is assumed to possess. Think not, however, that I depreciate the peculiar work of the Engineering College. It is by this kind of education alone that America has already become supreme in nearly all lines of material advancement. I am only anxious that the men who have made these things possible shall reap their full share of the benefits. In conclusion let me congratulate you on having selected courses of study which will bring you into the most intimate relations with the world s work of your generation. All life today is one endless round of scientific applications of means to ends, but such applications are still...
