U.S. Postal Service: Challenges Related to Restructuring the Postal Services Retail Network: Gao-12-433

By -

Bibliogov. Paperback. Book Condition: New. This item is printed on demand. Paperback. 40 pages. Dimensions: 9.7in. x 7.4in. x 0.1in. Over the past 5 years, the U. S. Postal Service (USPS) has taken several actions to restructure its retail network through reducing its workforce and its footprint while expanding retail alternatives. USPS officials estimated that it had saved about 800 million from reducing the number of work hours dedicated to retail operations. USPS also closed 631 of its post offices, but it did not have cost-savings estimates for these closures. Most of the facilities closed (500) were in response to a postmaster vacancy or the suspension of operations due to an expired lease or irreparable damage following a natural disaster. Fewer closures (131) have resulted from nationwide reviews that USPS initiated in 2009 and 2011. USPS has also restructured its retail network by expanding alternatives through self-service options as well as partnerships with other retailers. This item ships from La Vergne, TN. Paperback.

Reviews

A new e book with a brand new standpoint. I am quite late in start reading this one, but better then never. I discovered this ebook from my i and dad advised this publication to understand.

-- **Jada Franecki II**

Here is the very best book i have got read through until now. I could possibly comprehended everything using this composed e publication. You will not sense monotony at whenever you want of your time (that's what catalogues are for concerning should you ask me).
