Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Hawaiian America: Something of Its History, Resources, and Prospects Hawaii has been recently the subject of so many books that perhaps I should apologize for adding one more to the number. Yet I offend - if offence it be - deliberately, and I offer no excuse for so doing. I went to the islands to study their industrial, social, and political status, and became acquainted with conditions with which I believe all Americans should be made familiar. It has not been my purpose to produce either a history of or a tourists guide to the Hawaiian Islands, but rather to give a fair idea of the islands and their people, their character and their industries, their resources and their prospects. For many of the statistics in this book I am indebted to Mr. Thomas G. Thrum, the Hawaiian authority, and for the photographs of the various ancient implements I make my acknowledgments to Professor W. T. Brigham, Curator of the Bishop Museum at Honolulu. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
