Createspace, United States, 2013. Paperback. Book Condition: New. Neil Thacker, Gabriel Montagudo (illustrator). 198 x 129 mm. Language: English . Brand New Book ***** Print on Demand *****.The crew of the Taloned Sire and Winteroud Sole have united and confront the mysterious Demon on Rip. Lisa Sulla continues her mission, taking her star yacht out space and playing the mysterious Kunger Diary while on route. General Ossa and his fleet arrive in force at Siluria. The trial of Maximus Mercurio unfolds.and the collection of rogues draws closer to their destiny. Alright then Ossa said. We go down there and find out what is really taking place on that world. If there are Predecessors alive and well, I want us breaching some form of communication with them. If not, I want to know if there is functioning machinery still throwing up defensive fields. Form exploratory teams, and start getting me the hard science that Central declined to acquire. I want to know the what, where, and when about the history of this planet-this whole nebula. I want scout ships scouring every corner of this gas cloud, every star charted, right down to the planetoids orbiting. Get the Hammerheads ready, we re going on a field trip. One could feel the excitement across the bridge as the General stepped out. There wasn t a single person not engaged in some sort of motion, programming, or otherwise looking busy. For Ossa, another step into the unknown had been taken. CCCE had been neither asked permission, nor notified. Of course, it was always better to ask forgiveness than permission, as the old saw went. However, one didn t ask CC for forgiveness. If that day came, it would be a one way trip to Omm s wonderland of horrors, with no ticket back. When...
