THINK I VE BITTEN OFF MORE THAN I CAN CHEW: 3 PART SHORT EROTIC ROMANCE SAGA

Createspace, United States, 2014. Paperback. Book Condition: New. Large Print. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.This erotic memoir saga is from the views of the author which he has knowledge of. The saga is told through the fortunate trails of a man and woman as the untold truth. There s a stigma on men that says once a cheater always a cheater but as you read this story you ll see men aren t the only ones who fall short when it comes to monogamy. This story is broken down into three parts which should read like short stories. Stephanie, a lawyer who undergoes her promiscuous addictions to high intensity orgasms, meets Lamont who takes her on continuous electrifying and intense sex rides. The characters share a bit of erotic background about themselves as the author creatively shows you how all of the shorts connect by revisiting the past and the beginning of it all to understand the ending.
