HELPLESS: CALEDONIA S NIGHTMARE OF FEAR AND ANARCHY, AND HOW THE LAW FAILED ALL OF US

Audible Studios on Brilliance, United States, 2016. CD-Audio. Book Condition: New. Unabridged. 171 x 133 mm. Language: English . Brand New. It officially began on February 28, 2006, when a handful of protesters from the nearby Six Nations reserve walked onto Douglas Creek Estates, then a residential subdivision under construction, and blocked workers from entering. Over the course of the spring and summer of that first year, the criminal actions of the occupiers included throwing a vehicle over an overpass; the burning down of a hydro transformer, which caused a three-day blackout; the torching of a bridge; and the hijacking of a police vehicle. During the very worst period, ordinary residents living near the site had to pass through native barricades, show native-issued passports, and were occasionally threatened with body searches and routinely subjected to threats. Much of this lawless conduct occurred under the noses of the Ontario Provincial Police, who, often against their own best instincts, stood by and watched: They too had been intimidated. Arrests, where they were made, weren't made contemporaneously, but weeks or months later. The result was to embolden the occupiers and render non-native citizens vulnerable and afraid. Eighteen months after the occupation began, a home builder named Sam Gualtieri, working on the house he was giving his daughter as a wedding present, was attacked by protesters and beaten so badly he will never fully recover from his injuries. The occupation is now in its fifth year. Throughout, Christie Blatchford has been observing, interviewing, and investigating with the tenacity that has made her both the doyen of Canadian crime reporters and a social commentator beloved for her uncompromising sense of right and wrong. In *Helpless* she tells the full story for the first time a story that no part of the press or media in...
