

A Constitutional History of India (1600-1935)

By Arthur Berriedale Keith

Low Price Publications/D.K. Publishers Distributors Pvt. Ltd., New Delhi, India, 2012. Hardcover. Book Condition: New. Dust Jacket Condition: New. In the book The Constitutional History of India the author has made the necessarily concentrated attention on these matters which appeared to be of special significance as bearing on the evolution of self-government. After the earlier periods administrative and judicial details have, therefore, been passed over. The Indian Civil Service, however, brought with it British political ideas and made English the official language of the higher functions of government. The result was inevitable, with steadily increasing strength the Indian intelligentsia has demanded the fulfilment of self-government in form of British parliamentary institutions. The vital change between the Act of 1935 and 1919 is thus formerly attested; if it was possible to fit the changes then made as amendments into the substance of the old system that was out of the question with the Act of 1935. The new arrangements are obviously suited only for a brief transitional period. It is hoped that the necessary delimitation of constituencies under the Act of 1935 and the investigations of final conditions will be carried out in time to permit in inaugurating provincial autonomy being Part III of the...
