Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. Large Print. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.I was invited to speak to the third graders of a local school. I was thrilled. To watch Young creative minds grow was pure joy. A lady was giving away covers and I grabbed a bunch. This cover was among the covers. I stored it away thinking I would never use it. Then this opportunity came along. I wrote Stripes by compiling the writing of third graders of my local elementary school and creative writing. Having the opportunity to share the love and passion for writing was fun! To see young talent was a joy. I m excited for my return next year. Everyone can benefit from sharing Stripes Journey because you get a beautiful growing story and money goes back into the school. The more books sell, the more funds go back into the school. Having a great school district and teachers who love teaching is worth it.
