

Treasure in Heaven: A Study of the Sermon on the Mount Using the Four Senses of Scripture

By Barry R Pearlman

Angelico Press/Second Spring, United States, 2014. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.The Sermon on the Mount is central to the teaching of Jesus. In this fresh study of the sermon, Barry Pearlman revives its traditional biblical interpretation, which acknowledges all four senses of scripture: the literal, moral, allegorical, and mystical. The first chapter begins by tracing these four senses to their origin in the haggadic teaching of Jesus, then follows their development in the allegories of St. Paul up to their blossoming in the Middle Ages. After critically reviewing the rise and demise of the historical critical method, there follows a brief account of the return to the four senses within the ressourcement movement in contemporary theology. An illuminating study of the Sermon on the Mount and an astute history of scriptural exegesis. It is also a profound meditation on being a true disciple of Jesus--a sure guide for all seeking wisdom, understanding, fortitude, and the other gifts of the Holy Spirit. Treasure in Heaven is a treasure on earth, a literary and spiritual gift of immense beauty and value. - PHILIP ZALESKI, co-author of Prayer: A History...
